"As you think, so shall you become" - Lee Jun-fan.

Summary

My name is Gabriel Ribeiro, I live in Brasília - Brazil and I'm 25 years old. I have a major in C.S. and my main objective is to become a Full-stack developer. I am willing to learn any type of technology to improve my skills and gain experience. I'm dedicated, responsible, punctual and I'm eager to learn. Therefore, I look forward to getting a job opportunity in this area for my professional improvement and so that I can put into practice all the knowledge I acquired throughout my studies.
