"As you think, so shall you become" - Lee Jun-fan.

Summary

My name is Gabriel Ribeiro, and I live in Brasília - Brazil. I have a major in C.S. and my main objective is to specialize in Software engineering. I am willing to learn any technology to hone my skills and gain experience. Therefore, I'm looking for an opportunity to get a job as a Software Engineer in an environment where I can constantly learn and enhance my knowledge in software development, and that will provide me with essential growth opportunities.

Education

UNICEPLAC(Centro Universitário do Planalto Central Apparecido dos Santos)   *Brasília, Brazil*
